## PPWHA - a little about us...

Founded in 1982, the Pennsylvania Pleasure Walking Horse Association (PPWHA) was formed to promote the flat shod, pleasure Tennessee Walking Horse. We all share a common goal of sound horsemanship and are a family oriented association. We have a well rounded membership which consists of trail riders, show enthusiasts, trainers and amateurs. We welcome all horse enthusiasts that share our commitment to helping preserve and protect our horses from the abuses in the show ring that some other organizations choose to ignore. We affiliate all of our shows with the National Walking Horse Association, an organization with a zero tolerance to abuse of horses in the show ring. Visit our site at [www.ppwha.org](http://www.ppwha.org) to learn more.

PPWHA holds organized trail rides, expos and clinics for the enjoyment and education of our members. Our sponsorship of horse shows has grown to include our One Day Fun Show in June and our North American Plantation Classic (NAPC) Horse Show and Gettysburg Battlefield Ride (held on Labor Day weekend) has become the largest show in the Northeast for flat shod, smooth gaited horses.

## Our Youth...

This year we have many additions to the activities of our youth program. PPWHA is looking for support from those of you who wish to encourage young horsemen to learn and grow. As described on reverse, we will be rewarding our youth for their participation in educational and humanitarian activities. We are in need of goodies for our prize baskets and general donations to our Youth Fund that will go towards making all of this happen for years to come. The awards will be presented at the North American Plantation Classic, held Sept. 3-4 at Diamond 7 Ranch & Arena in Dillsburg, PA.
